

Terms and Conditions for the borrowing of FR Ryd's property

Established by the board on the 27th of January 2002, last changed on the 11th of March 2016.

1. General

- 1.1. These conditions regulate the agreement between FR Ryd in Linköping, with the organization number 822003-0457, also called FR in this document, and one of the council's members, also called borrower, regarding borrowing items owned by FR.
- 1.2. The agreement comes into existence when the borrower put his/her signature on the signature-line found on the receipt, also called Lending Contract, during item pick up.

2. Deposits, loan periods and fees

- 2.1. A deposit must be rendered for every item which will be lent. The deposit is by present-day 100 SEK for every item, other than the drilling machines, sewing machines and cordless screwdriver which has a deposit of 500 SEK. The borrower may also borrow up to X number of item(s) of the same certain type where X is determined by the "Max number of lending periods" found on the webpage (<http://booking.fryd.se>). The deposit will be paid back once the item(s) and all of its included accessories are returned in the same condition as when picked up and as long as the item(s) is/are returned on time.
- 2.2. It is up to the borrower to assure that eventual deposit is payed back.
- 2.3. Maximal lending periods is two weeks or as agreed on at a later time between a board members and a borrower. If the item(s) is not returned during this time the borrower will be charged with a fee of at-most 100 SEK for each period the item is delayed with.
- 2.4. A period is the time in between two ordinary opening hours of the lending service, which is by present-day, Wednesday to Sunday or Sunday to Wednesday.
- 2.5. No item(s) may be on loan during the summer and/or winter holidays.

3. Responsibility

- 3.1. All responsibilities are placed on the borrower who has signed the agreement. The responsibility cannot be transferred.
- 3.2. The borrower agrees to:
 - Read all instructions presented for an item to avoid penalization
 - Compensate FR for any damages done to the item(s) and/or its included accessories made intentionally or unintentionally during the time of possession by the borrower.
 - Ensure and present a valid insurance to FR in case of an unpredictable accident such as theft, fire damage, damage made by a third and so forth. The insurance must covers similar type of accidents, this is to avoid economic loss for both FR and the borrower.
 - Immediately report a missing or damaged item to FR.

4. *Particular conditions*

If the borrowed object is a **key** and/or a **tag** the following statements must be followed:

4.1. The borrower is not allowed to copy the item & is not allowed to lend it to any unauthorized individual(s).
